

BURLINGTON, ON, February 19, 2008 – IQ Manufacturing Solutions (IQMS), a leading provider of intelligent machine vision solutions is pleased to announce that one of IQMS' Founders Mark Chamberlain, President of Trivaris has been recognized with the Hamilton Distinguished Citizen of the Year Award for his work on reducing poverty in Hamilton, Ontario.

Through his involvement as chair of the Hamilton Roundtable for Poverty Reduction, he spearheaded a report called "*Making Hamilton the Best Place to Raise a Child*", the result of a year's worth of research and community feedback. In addition, Mark also chairs the Hamilton Civic Coalition, the Hamilton Community Foundation and the Golden Horseshoe Innovation Alliance.

Mark Chamberlain is best known for his time at Wescam where under his leadership he led the growth of the Visual Information Systems company from a seventeen-person, \$1 million business to a 550-person, \$166-million success.

Most recently, The Government of Canada announced the appointment of Mark Chamberlain to the **National Council of Welfare**.
